### What are Open meetings?

An open meeting of Alcoholic Anonymous is open to anyone, especially to the family and friends of alcoholics. In keeping with our singleness of purpose and our 3rd tradition which states "The only requirement for AA membership is a desire to stop drinking" we ask that all who participate confine their discussion to their problems with alcohol.

### What are Closed Meetings?

Attendance at closed meetings is limited to persons who have a desire to stop drinking. If you think you have a problem with alcohol you are welcome to attend. We ask that when discussing our problems we confine ourselves to those problems as they may relate to alcoholism.
